<b>Technical Bid opening date</b>	<b>19.04.2021 at 02.00PM CNST-IST, JNT University Hyderabad, Kukatpally, Hyderabad.</b>
<b>Price Bid Opening date</b>	
- iii. The technical bid of only bidders qualified in pre-qualification stage shall be opened. The information submitted by the bidders shall be tabulated and compared with specifications given in the Tender Document. It will thus be ascertained whether the bidder's solution /offerings qualify to the requirements and the product offered by the bidder matches with the specification of the Purchaser as given in the Technical Specifications in this Tender Document. Any deviations are liable for rejection of the tender (or) rejection of the equipment even after supply.
- iv. The Bidders shall arrange Technical presentation and live demonstration of their Item/System/Equipment/Machinery quoted between periods of Technical Bid & Price bid opening dates to show that they fully confirm to this tender. The Bidder must present detailed technical specifications (datasheets) and will have to give a power point presentation is expected to be ready to give clarification to technical committee as and when required.
- v. The bidders are advised to make all necessary arrangement for the presentation and live demonstration of items well in advance as they will be required to adhere to the time schedule given to them soon after bid opening / technical bid evaluation.
- vi. The University reserves the right to ask for any additional information, as it may deem necessary to evaluate the bid proposal at any stage before evaluation of Technical bid. Bidders that fail to submit additional information or clarification as sought within-week of the receipt of letter requesting for such additional information and/or clarification, their bids will be evaluated based on the information furnished along with the bid proposal.

Tenderer

  
**DIRECTOR**

- vii. The committee would be entitled to call for any further information, document and undertaking and may also interview the authorized representative of the bidder in order to satisfy itself about the eligibility, capability and capacity of specifications/trustworthiness of the product. The committee would be within its right to get any secret or open enquiry conducted for the purpose. The University reserves the right to contact and verify bidder's information, references and data submitted in the bid proposal without further reference to the bidder.
- viii. The information, documents submitted and undertaking given by the bidder or its authorized representative to the committee should be deemed to be the further reference to the bidder.
- ix. **Criterion for opening of Financial Bid**  
Financial bids of only "technically acceptable" bidders shall be opened. The short-listed bidders will be intimated about the date and time accordingly for opening of financial bid. At the time of the opening of Financial Bids, authorized representatives may remain present. No further discussion will be held with the bidder whose bid has been technically disqualified / rejected.
- x. **Opening of Financial bids**  
Once quoted, the bidder shall not make any subsequent price changes, whether resulting or arising out of any technical/ commercial clarifications sought regarding the bid and any deviation or exclusion should be specifically stated in the bid. It is expected that all clarifications are sought and the bid requirements understood clearly by the bidder before submitting the bid. Such price changes shall render the bid liable for rejection.
- xi. It shall not be obligatory to accept only the lowest financial bid. All or any bid may be rejected. The essence is that only such bid that in the opinion of competent Authority is most suitable for the University shall be selected.

## 2.8 Ethical conduct of the bidders

- i. The bidder or its representative shall not make any cartel or group to influence the bidding process or the price to the disadvantage of the Government.
- ii. The bidder or its representative shall not enter into uncalled for correspondence with competent Authority or any of his subordinate with respect to this tender.
- iii. Where the bidder requires any information with respect to this tender, it or its authorized representative shall contact with Director Academic and Planning, JNTUH, Telangana, Hyderabad only during office hours. Bidders or their staff/agents/employees are strictly prohibited to interact with any JNTUH staff, on any matter what so ever. Such unethical behavior shall lead to automatic disqualification of bid.
- iv. Where the bidder is not satisfied with any decision of the DIRECTOR, JNTUH, Telangana, Hyderabad or any of the committee, it has liberty of representing its case before

Tenderer

  
DIRECTOR

Competent authority or his nominee. But indulging into anonymous or Pseudonymous petitions etc. shall be taken to be unethical practice.

- v. Bidders must appreciate that only most suitable tender can be accepted and hence all the tenders cannot be accepted, so losing out the bid is also one of the business proposition well known to the bidder well in advance. Therefore any indiscreet conduct post disqualification would amount to be an unethical behavior.
- vi. The bidder after being awarded the work, during/after its completion and during /after the warranty and maintenance period shall not indulge into monopolistic or restrictive trade practices and shall not take advantage of its position/being privy to the knowledge of the system while working out the costs of spares, maintenance, bug fixing, additional programming to increase marginal but additional functionalities in the software etc.
