

Dear Author,

Thank you for submitting your abstract for the presentation in the INGWC-2021. Already we have sent to you the acceptance letter and guidelines for preparation of full length paper. Though the dead line of submission of abstracts and full length papers is over, the scientific progarmme committee has decided to extend the dead line only for submission of full length papers up to February 28, 2021. Hence I request you to send the full length papers at the earliest.

The organizing committee has **decided to conduct the conference in online mode** and the relevant fees is applicable as indicated in the brochure (Brochure attached). However it has been decided by the organizing committee that if the authors need hard copies of the abstract volume and proceedings volume (Full length papers volume with ISBN number), they have to pay an extra Rs. 500/- in addition to the registration fee irrespective of the category of the delegate.

Therefore I request you to register for the conference at the earliest by paying the proper registration fee as indicated in the brochure and for the hard copies. The soft copy of the abstract volume along with programme sheet will be mailed to all the participants by March 20, 2021. The remaining things (either soft copy or hard copy) will be mailed after the conference. For those people who have already paid the fee as per the fee indicated in the physical mode of the conference, the excess fee paid by them will be returned after the conference is over.

**All the registration forms may reach the convener by email on or before March 10, 2021 in order to avoid last minute presentation changes. Please indicate your mobile number in the registration form without fail. Scanned copy of the registration fee transaction details may kindly send by email along with registration form.**
