The BoS committee after having thorough discussions modified the Mission & Vision of the Centre. The existing syllabus for M.Tech (Chemical Technology) is revised implementing AICTE model curriculum and CBCS with effect from academic year 2019-2020. Further Program educational objectives, Program Outcomes, Course outcomes are redefined. In continuation M.Sc (Analytical Chemistry) and M.Sc (Organic Chemistry) syllabi have also revised following CBCS pattern with effect from academic year 2019-2020. The eligibility criteria for the M.Tech Chemical Technology course has been revised. The revised eligibility criteria, course structure, syllabi mission, vision, Program educational objectives, Program Outcomes, Course outcomes are hereby attached. The BoS committee also visited various laboratories, classrooms in the centre and expressed their appreciation.
