Meeting Minutes – Board of Studies

A meeting of the members of the Board of Studies held on 2nd & 3rd of May, 2019 at Centre for Environment. The minutes are recorded.

M.Tech (Environmental Management & Environmental Geomatics) programs (Regular and Part time) were revised and courses Structures were drafted according to AICTE Modern curriculum. Based on NBA Committee recommendations, new courses like Contaminant transport in Environmental systems (which will be taught by guest faculty from NEERI according to proposed MOU), Environmental Geo statistics and water supply Hydrology. Were introduced under electives.

The titles of the courses for water & waste water treatment were changed to water and waste water Engineering, Applied Geomatics were changed to Environmental Geomatics & Remote Sensing and GIS Lab were changed to Environmental Geomatics Lab.

For the M.Tech (EGM) Program. M/s. Terra Drone Pvt.Ltd has shown interest to offer an open elective on "UAV & GNSS" and submitted expression of interest to establish advanced laboratory facilities in the field of Geospatial technologies for sustainable development with finance support of Rs 100 Lakhs for a period of 3 years.

It is resolved to continue the program elective on Climate Change & Sustainable Development being offered by the CII GBC. Topics like life cycle assessment and sustainable engineering concepts were introduced in this paper.

The course outcome of all courses of M.Tech EMT & EGM were approved.

Panel of Examiners were approved.
