### **Red Ribbon Club Awareness Program organized on 25<sup>th</sup> February, 2022**

Incidents of HIV Positive cases in telangana state are due to certain factors like poor traditional sex practices, unethical contacts, Trafficking and less chances by Blood Transfusions, Hence Government of Telangana established Antiretroviral therapy (ART ) centers to supply medicines to HIV Patients and also implemented various Programmes like ASHA(accredited social Health activists) and Red Ribbon Club awareness programs to create awareness in the society on the risks and symptoms of AIDS /HIV. Telangana AIDs control society (TSACS) department of health, Medical and family Welfare, in connection with NSS framed the Program with activities like orientation meet, Rally, Activity based competitions, Talk by NGO Person on social and psychological stigma, Seminar on positive speaking on HIV correct Knowledge. The main objective of the program is to create awareness among the youth to cover the Youth at risk to HIV both in campuses as well as in the community.

As a part of Red ribbon club awareness program NSS of Institute of Science and Technology, JNTUH has organized program on Youth At Risk To HIV/AIDS on 25<sup>th</sup> February, 2022 at 10:30 AM. The Chief Guest Smt. Dr. Ch. Sasikala, Director, Institute of Science and Technology, the Guest of Honor, Kumari Dr.Rosy Gundra, NGO, Special Invitee Dr M. Srinivas, PD Trainer, Hyderabad have gathered on this occasion.

Dr. M.V.S.S. Giridhar, NSS Program officer -IST, Head & Professor, Center for Water Resources, IST, JNTUH and Dr M Sandhya Rani, Co coordinator, NSS, IST, JNTUH organized the program. More than 60 PG students of IST JNTUH have participated in this Program- Invitation is attached in Annexure-I.
