Report on the National Girl Child Day Celebration organized on 24th January, 2022

The National Girl Child Day is celebrated in India every year on January 24th. It was initiated in 2008 by the Ministry of Women and Child Development and the government of India, in order to spread public awareness about inequities that girls face in Indian society. The day is celebrated to generate awareness about “Save the Girl Child, child sex ratios, creation of a healthy and safe environment for girls” through organizing programs including awareness campaigns. In 2019, the day was celebrated with the theme, 'Empowering Girls for a Brighter Tomorrow'. The objectives are

- To spread awareness among people about inequalities faced by girls in the country.
- To promote awareness about the rights of girl children.
- To increase awareness on the importance of female education, health, and nutrition.

As a part of Golden Jubilee year of JNTUH (1971-2021) and National Service Scheme, Institute of Science and Technology, JNTUH has organized program on National Girl Child Day on 24th January, 2022 at 3:00 PM. The Chief Guest Smt. A. Vani Prasad, IAS, Director General, Environment Protection Training and Research Institute , the Guest of Honor ,Smt. D. Divya, IAS, Special Secretary to Government, WCD & SC, Department commissioner, WD&CW dept . Dr.A.Govardhan, Rector, Jawaharlal Nehru Technological University Hyderabad, Prof. Dr. M.Manzoor Hussain, Registrar, Jawaharlal Nehru Technological University Hyderabad have addressed the gathering.

Dr.Ch. Sasikala, Director, Institute of Science and Technology, Jawaharlal Nehru Technological University Hyderabad welcomed the gathering. Dr. M.V.S.S. Giridhar, NSS program officer - IST, Head & Professor, Center for Water Resources, IST, JNTUH organized the program. More than 150 UG and PG students of affiliated and constituent colleges of JNTU University have participated in this Program -Invitation is attached in Annexure-I.

Chancellor, JNTUH,
- 4.50 pm Vote of Thanks by NSS program Officer, Dr.M.V.S.S.Giridhar,
Professor& Head, CWR, IST, JNTUH.
- 4.55 pm National Anthem

As a first look, in this program, a video clip of Malala Yousafzai's speech was shown. Malala masterfully articulated the value of education as a stepping stone to empowerment and insisted on girls' rights by sharing her personal narrative about how she fought for her education throughout her life. This type of circumstances still exists in many places around the world. This has to change, and as a modest expression of gratitude from the NSS unit, IST, and JNTUH, the National Child Day celebrations have been graced with the presence of prominent women who have made significant contributions to society.

Dr.Ch. Sasikala, Director, Institute of Science and Technology, JNTUH, invited our honorable guests and participants to this occasion, mentioned about the importance to be given to the girl child which they deserve and reminded about our responsibilities to work together for better and happier lives

Prof. Dr. M. Manzoor Hussain, Registrar, Jawaharlal Nehru Technological University Hyderabad, spoke about providing the opportunities and privileges granted to female students in the university to shape their careers better.

Dr. A. Govardhan, Rector, Jawaharlal Nehru Technological University Hyderabad spoke about the necessity of gender equality from childhood, especially in rural regions, and the equity that women today have in sports, entrepreneurship, work, and even politics.

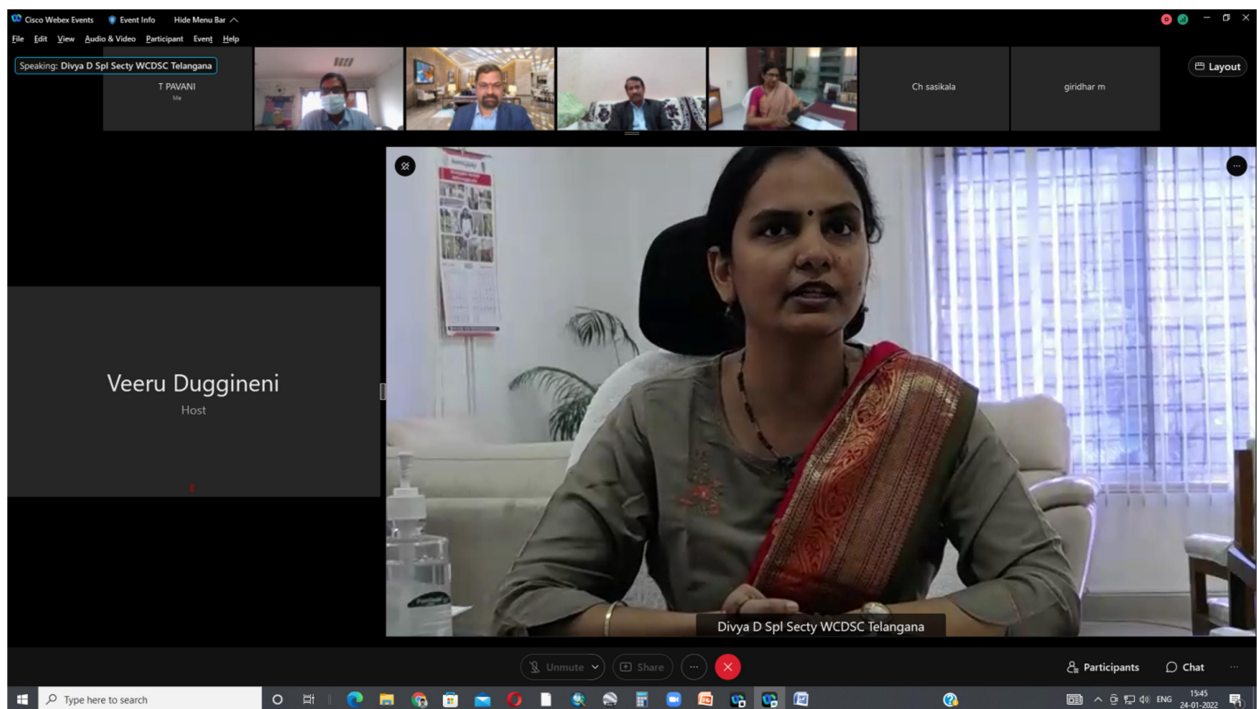

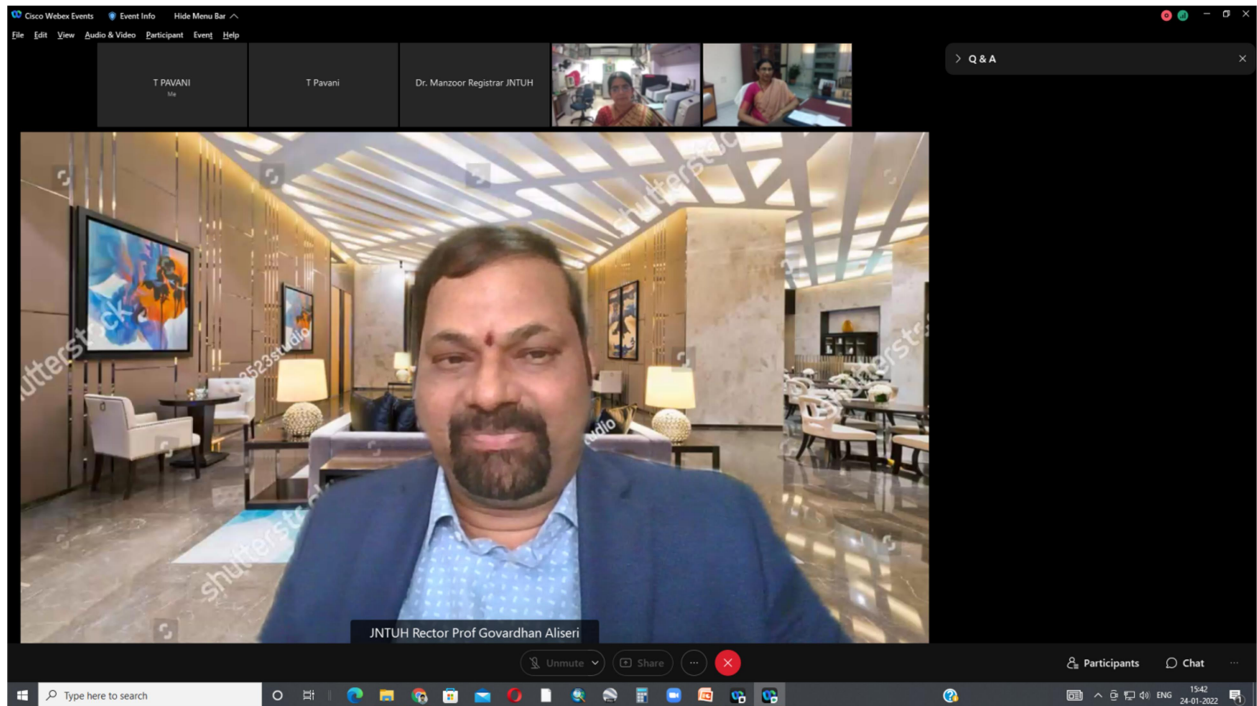

Smt. D. Divya, IAS, Special Secretary to government, WCD & SC, Department commissioner, WD&CW dept gave real time inspirational stories of intellectual women.

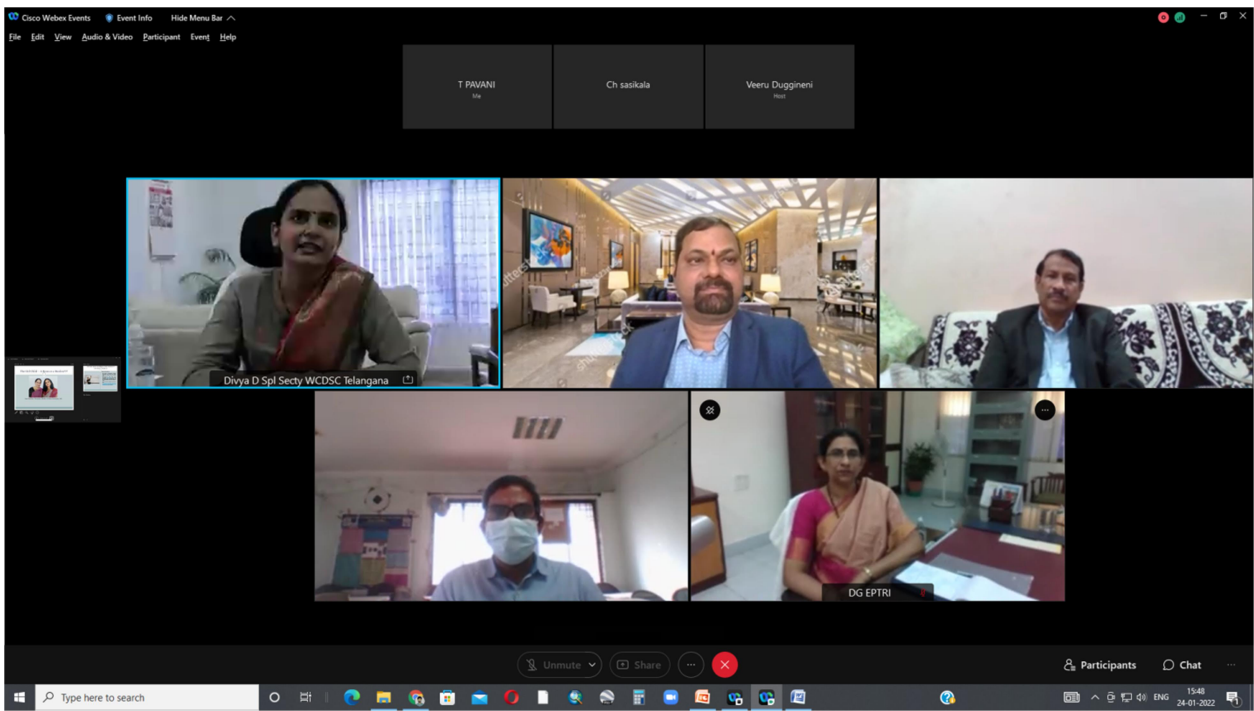

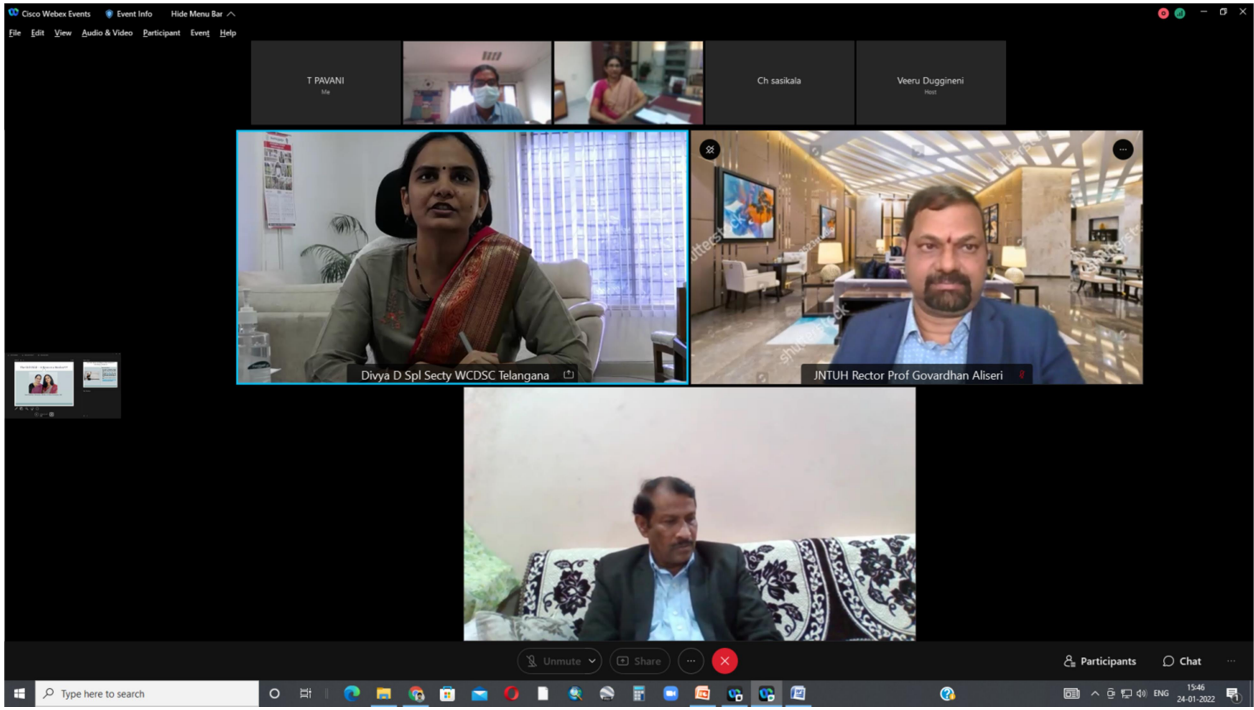

Smt. A. Vani Prasad, IAS, Director, Director General, Environment Protection Training and Research Institute, Gachibowli addressed the gathering and narrated the importance of girl child's rights, quality of education, and necessity of nutrition and even the ways how to break through the hurdles coming on the way in child's development.

Screenshots of the program were attached in Annexure-II. Videos about all the delegates were prepared. News paper clippings were given in Annexure -III

Are men more intelligent than women?? Lets have a look at

Maryam Mirzakhani

- The Iranian mathematician Maryam Mirzakhani, was awarded the Fields medal, the discipline's most celebrated prize.
- The quadrennial Fields Medal, which Mirzakhani [won in 2014](#), is the most prestigious award in mathematics. The first and to-date only female winner of the Fields Medal since its inception in 1936.
- The 52 previous recipients had all been men.
- [Fields Medal](#), [Bhramanthal Award](#), [Rath Lottis Bhattar Prizes in Mathematics](#), [CIAT Research Award](#) are her awards.

From Small Towns To NZ's Leader: What sets her apart from her peers is her ability to empathise and truly lead her citizens by example

Jasvinder Kaur, the 49th Prime Minister of New Zealand, is another addition to the long list of globally inspiring women leaders.

- She is the world's youngest female head of government and fourth youngest overall, having taken office at age 37.
- There is still a major population in the world which objects to the idea of feminism, and don't believe in women to have equal rights as the men.
- Female leaders like Jasvinder Kaur are not a path for the general population, and the next generation to follow.

From Small Tower To NZ's Leader- What sets her apart from her peers is her ability to empathise and truly lead her citizens by example

Sheela Anders, the 49th Prime Minister of New Zealand, is another addition to the long list of globally inspiring women leaders.

She is the world's youngest female head of government (and fourth youngest overall), having taken office at age 37.

Here is still a major population in the world which adheres to the idea of Brahminism, and don't believe in women to have equal rights as the men.

Female Leaders like Sheela Anders have set a path for the present generation and the next generation to follow.

The image shows a screenshot of a Cisco Webex Events window. At the top, there is a menu bar with options like 'File', 'Edit', 'View', 'Audio & Video', 'Participant', 'Event', and 'Help'. Below the menu bar, there are three participant names: 'T PAVANI', 'Ch saikala', and 'Veeru Duggineni'. The main area of the window is a video player. The video shows a woman in a red sari standing in a laboratory or pharmacy setting, surrounded by shelves of bottles and equipment. The video player has a progress bar at the bottom showing '00:40 / 00:50'. To the right of the video player, there is a list of participants: 'JNTUH Rector Prof Govardha...', 'Dr. Manzoor Registrar JNTUH', 'DG EPTRI', and 'T Pavani'. At the bottom of the window, there is a control bar with 'Unmute' and 'Share' buttons, and a 'Participants' and 'Chat' section. The Windows taskbar is visible at the very bottom, showing the search bar, taskbar icons, and system tray with the date '24-01-2022' and time '16:25'.
