Subject: Extension of the Period of Accreditation Status granted to PG Engineering Programs offered by JNTUH Institute of Science & Technology (IST), Kukatpally, Hyderabad- 500085, Telangana.

Sir,

This has reference to NBA's letter of even number dated 27-12-2016 under which PG- Chemical Technology and PG- Nano Technology programs offered by your institution were granted provisional accreditation for 2 years in Tier-I by National Board of Accreditation.

2. National Board of Accreditation (NBA) has decided that in all cases where PG Engineering program(s) of an Institution were granted provisional accreditation for a period of 2 years the period of provisional accreditation of these program(s) shall be extended from 2 to 3 years subject to the condition that they meets the essential Pre-visit qualifiers submitted by JNTUH Institute of Science & Technology (IST), Kukatpally, Hyderabad- 500085, Telangana. The following PG Engineering programs meets the essential parameters of pre-qualifiers. Accordingly, the competent authority in NBA has approved the following accreditation status to the programs as given in the Table below:

| Sl. No. | Name of the Program(s) (PG) | Basis of Evaluation | Accreditation Status | Period of validity | Remarks |
|---------|-----------------------------|---------------------|----------------------|--|---|
| (1) | (2) | (3) | (4) | (5) | (6) |
| 1. | Chemical Technology | Tier-I Document | Accredited | Academic Years 2018-2019 i.e. up to 30-06-2019 | Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier |
| 2 | Nano Technology | | Accredited | | |

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for one year. JNTUH Institute of Science & Technology (IST), Kukatpally, Hyderabad- 500085, Telangana should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to JNTUH Institute of Science & Technology (IST), Kukatpally, Hyderabad- 500085, Telangana as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
